

### **R 1-7-3 Annual Self-Assessment**

The Preston County Board of Education shall complete a self-assessment of its performance annually using an instrument approved by the State Board. The evaluation instrument selected shall focus on the effectiveness of the Board in the following areas:

- ❖ How effectively the Board deals with its various constituency groups and with the general public;
- ❖ How the Board provides a proper framework and the governance strategies necessary to monitor and approve student achievement on a continuing basis; and
- ❖ Enhancing the effective utilization of the policy approach to governance.

At the conclusion of the evaluation, the Board shall make a summary of the evaluation results, including areas in which it concludes improvement is warranted, to the public.
